FAREWELL

It soon will be time for us to go
 I guess that we both have always known,
 But we have weathered every storm,
 We've laughed and cried and played,
 We've helped each other grow in understanding,
 and love with love complete,
 And now we'll grow our separate ways, but not in
 our hearts.

Because I take with me a part of you,
 And I leave with you a part of me,
 And if you ever need a friend, I'll be there till
 the end,
 Regardless of the miles that lie between us,
 The time that separates us,
 Just call my name and I will be there,
 Somehow, Somewhere.

My thoughts will often be of you,
 And your thoughts will sometimes be of me,
 And now and then we'll sit and talk,
 About our yesterdays,
 You'll smile at all the dreams that I'm still
 chasing.
 I'll laugh cause you're still racing everywhere...
 Somehow, Everywhere.

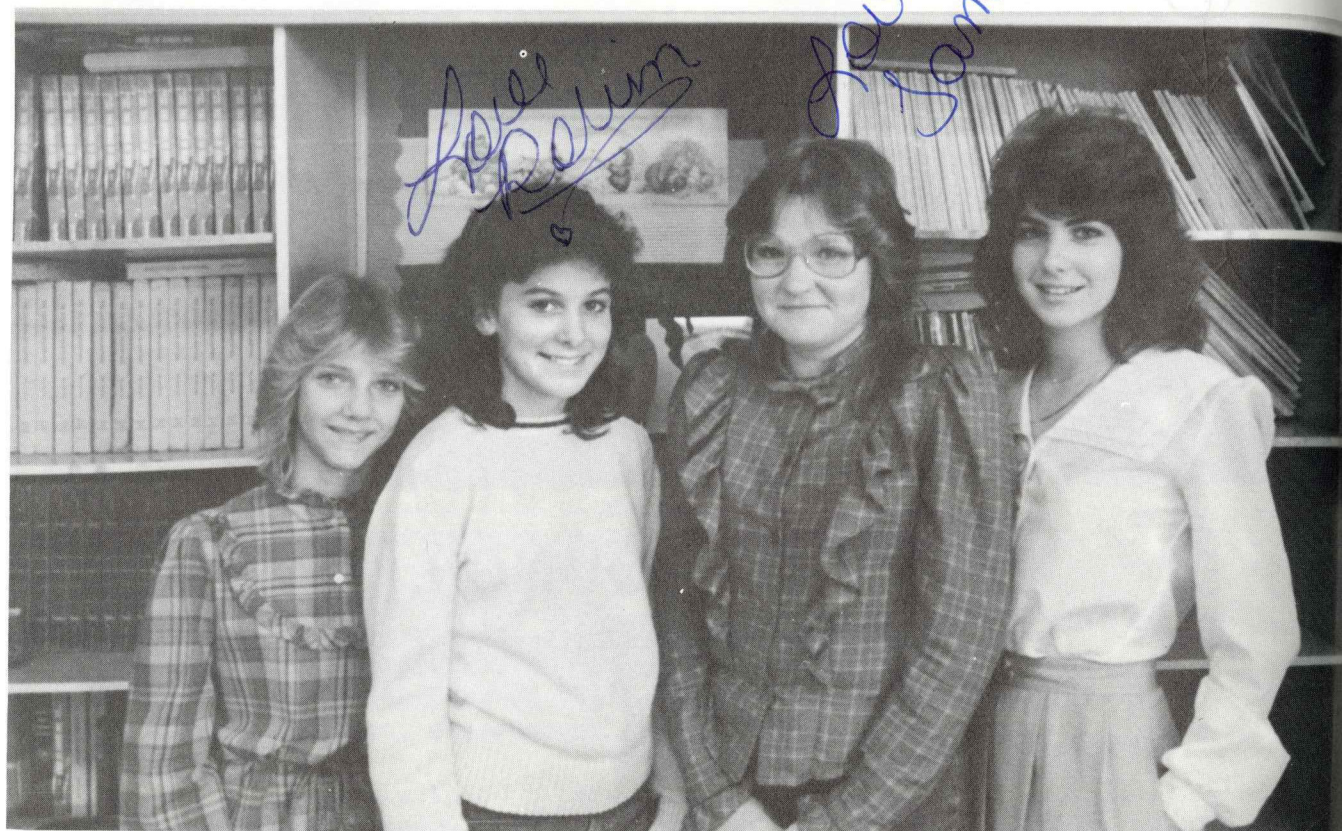

I take with me a part of you,
 And I leave with you a part of me,
 And if you should ever need a friend, I will be
 there till the end,
 Regardless of the miles that lie between us,
 The time that separates us,
 Just call my name and I will be there,
 Somehow...Somewhere.

Sometimes, not often enough, we reflect upon the good times and our thoughts always center around those we love. And I think about the people who mean so much to me and for so many years have made me so very happy. And I count the times I have forgotten to say Thank You - and just how much I love them.
